Dr. Lyvier Leffler
Allen Community College
1801 North Cottonwood
Iola, KS 66749

Dear President Leffler:

Once again, it is a pleasure to provide an overview of the success your students are having at Emporia State University. We are honored to continue this communication/partnership and hope you find this feedback useful.

Enclosed you will find a report outlining names of students from Allen County Community College who completed the 2025 spring semester. This report also includes a comparison of mean grade point averages for these students in relationship to all community college transfer students. Comparisons are made on grades earned for the 2025 spring semester and cumulative grade point averages.

Additional comparisons reveal the number and percentage of students in good academic standing, those on probation, and those required to withdraw.

Please let us know if you have any questions or see any concerns with the report. I look forward to continuing the open communication! Please do not ever hesitate to contact me.

Go Hornets!

Dr. Taylor Kriley, Ed.D.
Vice President for Student Success
Associate Teaching Professor
